

Jyoti Gondek, Mayor

PROCLAMATION

Epilepsy is a chronic neurological disorder characterized by recurrent and unprovoked seizures. *Purple Day for Epilepsy Awareness* is a day to promote understanding, to dispel common myths and fears, and to offer support to those living with epilepsy and their families.

Whereas: Approximately 1 in 100 people are diagnosed with epilepsy, with the impacts varying widely among those affected;

Whereas: People of all ages, races and backgrounds can develop epilepsy at any point in their life;

Whereas: Calgarians are encouraged to learn more about epilepsy and wear purple to support this international campaign.

On behalf of City Council and Calgarians, I hereby proclaim March 26, 2023 as:

PURPLE DAY FOR EPILEPSY AWARENESS
